Canada, Post Office Department

VANCOUVER METROPOLITAN POSTAL AREA DIRECTORY

SPEED YOUR MAIL

By the use of POSTAL ZONES
and
Correct POST OFFICE NAMES

Issued by authority of the
POSTMASTER GENERAL

*Vancouver 1, B.C.
March 1957*

To facilitate the delivery of mail, the larger cities in Canada have been divided into POSTAL ZONES.

The POSTAL ZONE should be included in the address of all mail for Vancouver, Winnipeg, Toronto, Ottawa, Montreal and Quebec.

The POSTAL ZONES in which streets in Vancouver are located are shown in this booklet. If you have correspondents in the other cities named above, you should obtain their POSTAL ZONES from them and include it in their address.

Your co-operation will be appreciated.

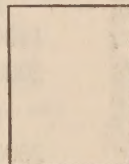

*W. H. WILSON,
Postmaster.*

VANCOUVER METROPOLITAN POSTAL AREA DIRECTORY

1. To facilitate the handling of mail for delivery through Vancouver Post Office, Vancouver City has been divided into numbered Postal Zones. The names of other municipalities included in the Vancouver Letter Carrier Delivery Area have been retained as Postal Zone designations. They are North Vancouver, West Vancouver, Richmond and Burnaby which is divided into two zones, South Burnaby (or Burnaby 1) and North Burnaby (or Burnaby 2).
2. The name "Vancouver" should be added to the name of the municipality, e.g. street and number, "Richmond, Vancouver, B.C." South Burnaby, (or Burnaby 1) Vancouver, B.C. etc. to reduce the possibility of delay, particularly on mail posted at distant points. However, if preferred, the address can simply be street and number, "Richmond, B.C.," "South Burnaby (or Burnaby 1) B.C.," etc.
3. The number of the Postal Zone should be added immediately after "Vancouver" when addressing mail to an address in a zone designated by a number, i.e. street and number, "Vancouver 1, B.C.".
4. The full *street and number* must be included in the address; otherwise delayed delivery or non-delivery may result.
5. The word "City" should not be used in addressing mail but rather "Vancouver".
6. A Post Office box number with the full name of the Post Office or Postal Station in which it is located is considered to be a complete address.
